Step 7. Visas for non-US citizens. Upon acceptance into the DTS, YWAM will issue a letter of invitation for you to present to the embassy or consulate in your country to aid you in your application for a USA Visa. DTS students are to apply for a B1 or B2 visa. Our letter leaves the decision up to the officiating consulate for final determination. You should begin looking into the requirements for these visas as soon as possible. The process can take up to 6 weeks after you've been accepted to the school. Do not apply for your Visa until you receive your official acceptance letter and the letter of invitation from the DTS Registrar's Office. You cannot be approved for a Visa without it.
